Adopt the House Program

A family, group or business can “adopt the house” for one night at \$50 or for one week at \$350 or one month at \$1550.

Your donation will benefit and help ease the burdens of the many families who stay here while facing medical events.

A sign will be displayed in the entry announcing who has adopted the house. The family, group or business will also be added to our donor book.

Please complete the form below and turn in along with your donation for the dates you would like to adopt the house. Thank you for your generosity!

Medical Center League House is a charitable institution, therefore, your gift would be tax deductible under current law.
